

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

It is absolutely outrageous that the son of Colin Powell is giving away the final controls on our public airwaves as his father is preaching unilateral first strike war against a poor nation. As a taxpayer, I demand a stop and reversal on the corporate give-away of the birthright of my children and I.
